Patients' Bill of Rights

Pursuant to New Hampshire RSA 151:21, the rights and responsibilities of each patient admitted to a facility, except those admitted by a home health care provider, shall include, as a minimum, the following:

- I. The patient shall be treated with consideration, respect, and full recognition of the patient's dignity and individuality, including privacy in treatment and personal care and including being informed of the name, licensure status, and staff position of all those with whom the patient has contact, pursuant to RSA 151:3-b.
- II. The patient shall be fully informed of a patient's rights and responsibilities and of all procedures governing patient conduct and responsibilities. This information must be provided orally and in writing before or at admission, except for emergency admissions. Receipt of the information must be acknowledged by the patient in writing. When a patient lacks the capacity to make informed judgments the signing must be by the person legally responsible for the patient.
- III. The patient shall be fully informed in writing in language that the patient can understand, before or at the time of admission and as necessary during the patient's stay, of the facility's basic per diem rate and of those services included and not included in the basic per diem rate. A statement of services that are not normally covered by Medicare or Medicaid shall also be included in this disclosure.

- IV. The patient shall be fully informed by a health care provider of his or her medical condition, health care needs, and diagnostic test results, including the manner by which such results will be provided and the expected time interval between testing and receiving results, unless medically inadvisable and so documented in the medical record, and shall be given the opportunity to participate in the planning of his or her total care and medical treatment, to refuse treatment, and to be involved in experimental research upon the patient's written consent only. For the purposes of this paragraph "health care provider" means any person, corporation, facility, or institution either licensed by this state or otherwise lawfully providing health care services, including, but not limited to, a physician, hospital or other health care facility, dentist, nurse, optometrist, podiatrist, physical therapist, or psychologist, and any officer, employee, or agent of such provider acting in the course and scope of employment or agency related to or supportive of health care services.
- V. The patient shall be transferred or discharged after appropriate discharge planning only for medical reasons, for the patient's welfare or that of other patients, if the facility ceases to operate, or for nonpayment for the patient's stay, except as prohibited by Title XVIII or XIX of the Social Security Act. No patient shall be involuntarily discharged from a facility because the patient becomes eligible for medicaid as a source of payment.
- VI. The patient shall be encouraged and assisted throughout the patient's stay to exercise the patient's rights as a patient and citizen. The patient may voice grievances and recommend changes in policies and services to facility staff or outside representatives free from restraint, interference, coercion, discrimination, or reprisal.
- VII. The patient shall be permitted to manage the patient's personal financial affairs. If the patient authorizes the facility in writing to assist in this management and the facility so consents, the assistance shall be carried out in accordance with the patient's rights under this subdivision and in conformance with state law and rules.
- VIII. The patient shall be free from emotional, psychological, sexual and physical abuse and from exploitation, neglect, corporal punishment and involuntary seclusion.
- IX. The patient shall be free from chemical and physical restraints except when they are authorized in writing by a physician for a specific and limited time necessary to protect the patient or others from injury. In an emergency, restraints may be authorized by the designated professional staff member in order to protect the patient or others from injury. The staff member must promptly report such action to the physician and document same in the medical records.
- X. The patient shall be ensured confidential treatment of all information contained in the patient's personal and clinical record, including that stored in an automatic data bank, and the patient's written consent shall be required for the release of information to anyone not otherwise authorized by law to receive it. Medical information contained in the medical records at any facility licensed under this chapter shall be deemed to be the property of the patient. The patient shall be entitled to a copy of such records upon request. The charge for the copying of a patient's medical records shall not exceed \$15 for the first 30 pages or \$.50 per page, whichever is greater; provided, that copies of filmed records such as radiograms, x-rays, and sonograms shall be copied at a reasonable cost.
- XI. The patient shall not be required to perform services for the facility. Where appropriate for therapeutic or diversional purposes and agreed to by the patient, such services may be included in a plan of care and treatment.
- XII. The patient shall be free to communicate with, associate with, and meet privately with anyone, including family and resident groups, unless to do so would infringe upon the rights of other patients. The patient may send and receive unopened personal mail. The patient has the right to have regular access to the unmonitored use of a telephone.
- XIII. The patient shall be free to participate in activities of any social, religious, and community groups, unless to do so would infringe upon the rights of other patients.
- XIV. The patient shall be free to retain and use personal clothing and possessions as space permits, provided it does not infringe on the rights of other patients.

- XV. The patient shall be entitled to privacy for visits and, if married, to share a room with his or her spouse if both are patients in the same facility and where both patients consent, unless it is medically contraindicated and so documented by a physician. The patient has the right to reside and receive services in the facility with reasonable accommodation of individual needs and preferences, including choice of room and roommate, except when the health and safety of the individual or other patients would be endangered.
- XVI. The patient shall not be denied appropriate care on the basis of age, sex, gender identity, sexual orientation, race, color, marital status, familial status, disability, religion, national origin, source of income, source of payment, or profession.
- XVII. The patient shall be entitled to be treated by the patient's physician of choice, subject to reasonable rules and regulations of the facility regarding the facility's credentialing process.
- XVIII. The patient shall be entitled to have the patient's parents, if a minor, or spouse, or next of kin, unmarried partner, or a personal representative chosen by the patient, if an adult, visit the facility, without restriction, if the patient is considered terminally ill by the physician responsible for the patient's care.
- XIX. The patient shall be entitled to receive representatives of approved organizations as provided in RSA 151:28.
- XX. The patient shall not be denied admission to the facility based on medicaid as a source of payment when there is an available space in the facility.
- XXI. Subject to the terms and conditions of the patient's insurance plan, the patient shall have access to any provider in his or her insurance plan network and referral to a provider or facility within such network shall not be unreasonably withheld pursuant to RSA 420-J:8, XIV.
- XXII. The patient shall not be denied admission, care, or services based solely on the patient's vaccination status.
- XXIII. (a) In addition to the rights specified in paragraph XVIII, the patient shall be entitled to designate a spouse, family member, or caregiver who may visit the facility while the patient is receiving care. A patient who is a minor may have a parent, guardian, or person standing in loco parentis visit the facility while the minor patient is receiving care.

(b)(1) Notwithstanding subparagraph (a), a health care facility may establish visitation policies that limit or restrict visitation when:

- (A) The presence of visitors would be medically or therapeutically contraindicated in the best clinical judgment of health care professionals;
- (B) The presence of visitors would interfere with the care of or rights of any patient;
- (C) Visitors are engaging in disruptive, threatening, or violent behavior toward any staff member, patient, or another visitor; or
- (D) Visitors are noncompliant with written hospital policy.

(2) Upon request, the patient or patient's representative, if the patient is incapacitated, shall be provided the reason for denial or revocation of visitation rights under this paragraph.

(c) A health care facility may require visitors to wear personal protective equipment provided by the facility, or provided by the visitor and approved by the facility. A health care facility may require visitors to comply with reasonable safety protocols and rules of conduct. The health care facility may revoke visitation rights for failure to comply with this subparagraph.

(d) Nothing in this paragraph shall be construed to require a health care facility to allow a visitor to enter an operating room, isolation room, isolation unit, behavioral health setting or other typically restricted area or to remain present during the administration of emergency care in critical situations. Nothing in this paragraph shall be construed to require a health care facility to allow a visitor access beyond the rooms, units, or wards in which the patient is receiving care or beyond general common areas in the health care facility.

(e) The rights specified in this paragraph shall not be terminated, suspended, or waived by the health care facility, the department of health and human services, or any governmental entity, notwithstanding declarations of emergency declared by the governor or the legislature. No health care facility licensed pursuant to RSA 151:2 shall require a patient to waive the rights specified in this paragraph.

(f) Each health care facility licensed pursuant to RSA 151:2 shall post on its website:

- (1) Informational materials explaining the rights specified in this paragraph;
- (2) The patients' bill of rights which applies to the facility on its website; and
- (3) Hospital visitation policy detailing the rights and responsibilities specified in this paragraph, and the limitations placed upon those rights by written hospital policy on its website.

(g) Unless expressly required by federal law or regulation, the department or any other state agency shall not take any action arising out of this paragraph against a health care facility for:

- (1) Giving a visitor individual access to a property or location controlled by the health care facility;
- (2) Failing to protect or otherwise ensure the safety or comfort of a visitor given access to a property or location controlled by the health care facility;
- (3) The acts or omissions of any visitor who is given access to a property or location controlled by the health care facility.

UTAH NOTICE(S):

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that Your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 in disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 31A, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage You to purchase insurance. When selecting an insurance company, You should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

The Internal Grievance Review provision described below is added to Your coverage.

INTERNAL GRIEVANCE REVIEW

Expedited Grievance means a Grievance where any of the following applies:

- the duration of the standard Grievance resolution process will result in serious jeopardy to the life or health of the Covered Person or the ability of the Covered Person to regain maximum function;
- in the opinion of a Physician with knowledge of the Covered Person's medical condition, the Covered Person is subject to severe pain that cannot be adequately managed without the care or treatment that is the subject of the Grievance; or
- a Physician with knowledge of the Covered Person's medical condition determines that the Grievance shall be treated as an Expedited Grievance.

Grievance means any dissatisfaction with the claims practices or administration of the insurance provided under this Certificate that is expressed in Writing to Us by You or on Your behalf.

Grievance Procedure

If a claim for insurance benefits is denied, We will notify You of Your right to file a Grievance. You can file a Grievance by Writing to MetLife at 700 Quaker Lane, 2nd Floor, Warwick, Rhode Island 02886, when We notify You of Your right to file a Grievance. You must do this within three years of the date Your claim is denied. Within five business days of Our receipt of Your Grievance, We will mail to You or Your authorized representative an acknowledgement confirming receipt.

Grievance Panel

Once a Grievance has been filed, a Grievance Panel will promptly investigate the Grievance. The Grievance Panel will consist of at least one person with authority to take corrective action on the claim, and may include at least one person, other than You, who is insured by Us. Prior to the Grievance Panel making a final determination, You or Your authorized representative have the right to appear in person before the Grievance Panel and to present Written questions. At least seven calendar days prior to the Grievance Panel meeting, We will send You Written notification providing information as to the time and place of the meeting. After a decision has been made, a Written decision signed by one voting member of the Grievance Panel and a description of position titles of panel members involved in making the decision will be mailed to You.

Grievance Panel Decision Notification

For Grievances that are subject to ERISA, the decision of the Grievance Panel will be mailed to You within a reasonable period of time, no later than 60 days after the date on which We received the Grievance. However, if We determine that special circumstances require an extension of time for processing the Grievance, Written notice of such extension will be mailed to You within 60 days after the date on which We received the Grievance. The notice will explain the special circumstances requiring the extension, and the date by which We expect the Grievance Panel to reach a decision regarding the Grievance. In no event shall such an extension end later than 120 days from the date on which We received the Grievance.

For Grievances that are not subject to ERISA, the decision of the Grievance Panel will be mailed to You no later than 30 calendar days after the date We receive the Grievance. However, if the Grievance Panel is unable to resolve the Grievance within 30 days of the date We received the Grievance, the time to resolve the Grievance may be extended by Us for an additional 30 calendar days if We provide Written notice to You or, if applicable, Your authorized representative, of all of the following:

- that the Grievance Panel has not resolved the Grievance;
- when resolution of the Grievance may be expected; and
- the reason additional time is needed.

Expedited Grievance Resolution

If Your Grievance qualifies as an Expedited Grievance, You can file the Expedited Grievance by calling a number We will give You when We notify You of Your right to file a Grievance. An Expedited Grievance will be reviewed by a medical director who works for Us. The medical director will render a decision with respect to the Expedited Grievance within 72 hours of the date You call Us to file the Expedited Grievance. You must file an Expedited Grievance within three years of the date Your claim is denied.

A Dependent's insurance under this Certificate will end on the earliest of:

- the date Your insurance under this Certificate ends;
- the date Dependent Insurance ends under the Group Policy for all employees or for Your class;
- the end of the calendar month in which the person ceases to be a Dependent;
- the end of the calendar month in which You cease to be in a class that is eligible for Dependent Insurance;
- the end of the calendar month in which the Dependent is no longer eligible as described in the Eligible Classes for Dependent Insurance provision; or
- the end of the period for which the last full premium has been paid for insurance for the Dependent.

WHEN INSURANCE ENDS (Continued)

CHANGE IN CLASS

If there is more than one class eligible for insurance under the Group Policy, and each class has its own certificate, instead of receiving a new certificate when You move between classes, You will remain insured under this Certificate if:

- You move to a class that is eligible for Hospital Indemnity Insurance under the Group Policy; and
- the benefits available to Your new class are identical to the benefits available under this Certificate.

In all other cases when You move between classes, Your insurance under this Certificate will end on the date You are no longer a member of the class eligible for insurance under this Certificate.

CONTINUATION OF INSURANCE

AT YOUR OPTION: CONTINUATION WITH PREMIUM PAYMENT

If Your insurance ends under the Date Your Insurance Ends provision of this Certificate, in certain situations, it may be continued for You and Your Dependents, as described in this provision. This is referred to in this provision as "Continued Insurance". Evidence of insurability will not be required to obtain Continued Insurance. For purposes of this provision, insurance in effect under the Group Policy for which the Group Policyholder remits premium is referred to in this provision as "Group Billed Insurance".

Except as described below, Continued Insurance is subject to all of the conditions, maximums, limitations, exclusions and Proof requirements contained in the provisions of this Certificate.

Requirements for Continued Insurance

Continued Insurance will be available to You if:

- Your Group Billed Insurance ends for any reason other than:
 - non-payment of premium or Contribution; or
 - the end of the Group Policy, provided that Continued Insurance will be available to You if You do not become eligible, within 30 days after the end of the Group Policy, for hospital indemnity insurance under another policy of group insurance available through the Group Policyholder;
- We receive Your completed Written request for Continued Insurance on a form approved by Us within 31 calendar days after Your Group Billed Insurance ends; and
- You pay premiums required for Continued Insurance by the due date specified in the premium notice sent to You.

Changes in Continued Insurance

You may elect to decrease Your insurance after the date that Continued Insurance goes into effect for You if a lower benefit option is available. In addition, You may end insurance for any or all of Your Dependents. Please contact Us for information. You may not increase insurance once Continued Insurance goes into effect.

Contributions for Continued Insurance

The Contribution that You must pay for Continued Insurance is the amount of Your Contribution for Your Group Billed Insurance before it ended, plus any amount of premium that the Group Policyholder paid. The Contribution that You must pay for Continued Insurance will be determined on the same basis as premium rates charged for Group Billed Insurance. We have the right to change premium rates in accordance with the terms set forth in the Group Policy. All payments for Continued Insurance must be made directly to Us by the due date specified in the premium notice We send to You.

CONTINUATION OF INSURANCE (Continued)

End of Continued Insurance

Continued Insurance will end on the earliest of the following dates:

- the date You die;
- if You do not pay a Contribution that is required for Continued Insurance, the end of the period for which the last full premium has been paid for Your insurance;
- with respect to Continued Insurance for a Dependent:
 - the date Continued Insurance for You ends for any reason;
 - the end of the calendar month in which the Dependent no longer meets the definition of a Dependent; or
 - the end of the calendar month in which the Dependent is no longer eligible as described in the Eligibility Provisions: Dependent Insurance section of this Certificate.

FOR MENTALLY OR PHYSICALLY HANDICAPPED CHILDREN

Insurance for a Dependent Child may be continued past the age limit if that child is incapable of self-sustaining employment because of a mental or physical handicap as defined by applicable law. Proof of such handicap must be sent to Us within 31 days after the date the Dependent Child attains the age limit and at reasonable intervals after such date, but no more often than annually after the two year period following such Dependent Child's attainment of the limiting age.

Except as stated in the Date Dependent Insurance Ends provision of the When Insurance Ends section of this Certificate, insurance will continue while such Dependent Child:

- remains incapable of self-sustaining employment because of a mental or physical handicap; and
- continues to qualify as a Dependent Child, except for the age limit.

FOR FAMILY AND MEDICAL LEAVE

Certain leaves of absence may qualify under the Family and Medical Leave Act of 1993 (FMLA) or similar state laws for continuation of insurance. Please contact the Group Policyholder for information regarding the FMLA or any similar state law.

CLAIMS

NOTICE OF CLAIM

You must give Us notice of a claim under this Certificate by Writing to Us or calling Us at the toll free number shown on the face page of this Certificate within 30 days of the date of the loss.

CLAIM FORM

When We receive notice of a claim under this Certificate, We will provide You or the claimant with a claim form. If We do not provide the claim form within 15 days from the date We received notice of claim, Our claim form requirements will be satisfied if We are provided with the required Proof in support of the claim.

PROOF OF LOSS

Proof must be provided to Us not later than 90 days after the date of the loss. If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice and Proof are given as soon as is reasonably possible, but in no event, other than in the absence of the legal capacity of the claimant, later than 12 months from the date of the loss.

PAYMENT OF BENEFITS

When We receive the claim form and Proof, We will review the claim and, if We approve it, We will pay benefits subject to the terms and provisions of this Certificate and the Group Policy.

Unless You have assigned this insurance, all benefits to be paid under this Certificate will be paid to You, except as follows:

- If You are not alive to receive benefits that are payable to You, We will pay any benefits in accordance with the provision below titled Your Beneficiary.
- If You are living when benefits are to be paid to You, but You are not legally competent to claim or receive the benefits, We may pay up to \$1,000 to anyone related to You by blood or marriage who We believe is entitled to payment of the benefits. If We make such a payment in good faith, We will not be liable to anyone for the amount We pay. Any remaining benefits will be paid to Your legal representative.

If benefits have been assigned, We will pay benefits in accordance with the Assignment provision of the General Provisions section.

YOUR BENEFICIARY

A beneficiary may be named by You to receive any benefit that becomes payable to You under this Certificate that You are not alive to receive.

You may request to change Your beneficiary at any time. A beneficiary change request must be made to Us in Writing. Once the request is recorded, the change will take effect as of the date You sign the request, whether or not You are living when We receive the request. The change will be subject to any legal restrictions. It will also be subject to any payment We made or action We took before We recorded the change. If You designated two or more beneficiaries and their shares are not specified, they will share the benefit payable equally.

If there is no beneficiary designated or no surviving beneficiary at Your death, We will determine the beneficiary according to the following order:

1. Your Spouse, if alive;
2. Your child(ren), if there is no surviving Spouse;
3. Your parent(s), if there is no surviving child;
4. Your sibling(s), if there is no surviving parent; or
5. Your estate, if there is no surviving sibling.

CLAIMS (Continued)

Instead of making payment in the order above, We may pay Your estate. Any payment made in good faith will discharge our liability to the extent of such payment. If a beneficiary or a Payee is a minor or incompetent to receive payment, We will pay that person's guardian.

AUTHORIZATIONS

We may require that You provide authorization for Us to obtain medical information and any other information pertinent to Your claim.

EXAMINATIONS

During the pendency of a claim, at Our expense and as often as is reasonably necessary, We may require a Covered Person to have an independent examination by a Physician of Our choice.

During the pendency of a claim, at Our expense and as often as is reasonably necessary, We may have Our representatives conduct telephone or in-person interviews with You regarding Your claim.

AUTOPSY

At Our expense, We have the right to make a reasonable request for an autopsy and/or exhumation where permitted by law. Any such request will set forth the reasons We are requesting the autopsy or exhumation.

TIME LIMIT ON LEGAL ACTIONS

A legal action on a claim may only be brought against Us during a certain period. This period begins 60 days after the date Proof is filed and ends three years after the date such Proof is required to be filed.

REFUND TO US FOR OVERPAYMENT OF BENEFITS

If, at any time, We determine that the benefits paid under this Certificate were more than the benefits due:

- You, or any other person, entity or health care provider to whom We over paid benefits have the obligation to reimburse Us for the amount of such overpayment; and
- We have the right to recover the amount of such overpayment from You, or any other person, entity or health care provider to whom We over paid benefits, including offsetting future benefits payable to You or such other person, entity or health care provider by an amount equivalent to the overpayment.

GENERAL PROVISIONS

ENTIRE CONTRACT

Your insurance is provided under a contract of group insurance with the Group Policyholder. The entire contract with the Group Policyholder is made up of the following:

- the Group Policy and its Exhibits, which include the Certificate(s);
- the Group Policyholder's application; and
- any amendments and/or endorsements to the Group Policy.

INCONTESTABILITY: STATEMENTS MADE BY YOU

Any statement made by You will be considered a representation and not a warranty. We will not use such a statement to void insurance, reduce benefits or defend a claim unless the following requirements are met:

- the statement is in a form that is in Writing;
- You have Signed the form; and
- a copy of the form has been given to You or Your beneficiary.

We will not use Your statements which relate to insurability to contest this insurance after it has been in force for 2 years, unless the statement is fraudulent. In addition, We will not use such statements to contest a benefit increase after the benefit increase has been in force for 2 years, unless such statement is fraudulent.

MISSTATEMENTS

If Your or Your Dependent's age is misstated, the correct age will be used to determine if insurance is in effect and, as appropriate, We will adjust the benefits and/or Contributions.

ASSIGNMENT

The benefits under the Group Policy are not assignable prior to a claim, except as required by law.

CONFORMITY WITH LAW

If the terms and provision of this Certificate do not conform to any applicable law, this Certificate shall be interpreted to so conform.

CLAIMS INFORMATION

Hospital Indemnity Insurance Benefits Claims

Routine Questions

If there is any question about a claim payment, an explanation may be requested from MetLife which is able to provide the necessary information.

Claim Submission

For claims for Hospital Indemnity Insurance benefits, the claimant must report the claim to MetLife and, if requested by MetLife, complete the appropriate claim form. Claim forms requested by MetLife must be submitted in accordance with the instructions on the claim form.

Initial Determination

After you submit a claim for Hospital Indemnity Insurance benefits to MetLife, MetLife will review your claim and notify you of its decision to approve or deny your claim.

Such notification will be provided to you within a reasonable period, not to exceed 45 days from the date you submitted your claim; except for situations requiring an extension of time because of matters beyond the control of the Plan, in which case MetLife may have up to two (2) additional extensions of 30 days each to provide you such notification. If MetLife needs an extension, it will notify you prior to the expiration of the initial 45 day period (or prior to the expiration of the first 30 day extension period if a second 30 day extension period is needed), state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify you as to its claim decision. You will have 45 days to provide the requested information from the date you receive the extension notice requesting further information from MetLife.

If MetLife denies your claim in whole or in part, the notification of the claims decision will state the reason why your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criteria was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge.

Appealing the Initial Determination

If MetLife denies your claim, you may appeal the decision. Upon your written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim. You must submit your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- An explanation why you are appealing the initial determination

As part of your appeal, you may submit any written comments, documents, records, or other information relating to your claim.

After MetLife receives your written request appealing the initial determination, MetLife will conduct a full and fair review of your claim. Deference will not be given to the initial denial, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that you submit relating to your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review your appeal will not be the same person as the person who made the initial decision to deny your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify you in writing of its final decision within a reasonable period of time, but no later than 45 days after MetLife's receipt of your written request for review, except that under special circumstances MetLife may have up to an additional 45 days to provide written notification of the final decision. If such an extension is required, MetLife will notify you prior to the expiration of the initial 45 day period, state the reason(s) why such an extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information, the time period from MetLife's notice to you of the need for an extension to when MetLife receives the requested information does not count toward the time MetLife is allowed to notify you of its final decision. You will have 45 days to provide the requested information from the date you receive the notice from MetLife.

If MetLife denies the claim on appeal, MetLife will send you a final written decision that states the reason(s) why the claim you appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criteria was relied upon in denying the claim on

appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge. Upon written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim.

Discretionary Authority of Plan Administrator and Other Plan Fiduciaries

In carrying out their respective responsibilities under the Plan, the Plan administrator and other Plan fiduciaries shall have discretionary authority to interpret the terms of the Plan and to determine eligibility for and entitlement to Plan benefits in accordance with the terms of the Plan. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

STATEMENT OF ERISA RIGHTS

The following statement is required by federal law and regulation.

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan administrator's office and at other specified locations, all Plan documents, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated summary plan descriptions. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report and do not receive them within 30 days, you may file suit in a

Federal court. In such a case, the court may require the Plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in a Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees.

If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

FUTURE OF THE PLAN

It is hoped that the Plan will be continued indefinitely, but Performance Modalities, Inc. dba Performance Home Medical reserves the right to change or terminate the Plan in the future. Any such action would be taken only after careful consideration.

The Board of Directors of Performance Modalities, Inc. dba Performance Home Medical shall be empowered to amend or terminate the Plan or any benefit under the Plan at any time.
